

## "XV edition Course on Exorcism and Prayer of Liberation"

**Suspension course edition 26th-31st October 2020.**

**October, 31st: Presentation of the online research.**

Rome, October 20, 2020

Taking into account the constant increase in the contagion curve and the new virus containment regulations foreseen by the last DPCM in force since 19th October, the Sacerdos Institute and GRIS have decided to suspend the Course on Exorcism and prayer for liberation that was supposed to be held in Rome from 26th to 31st October.

Given the scientific didactic value of the course, the involvement of the teachers, participants and media will be proposed as a reformulated course for the online version (according to the modalities and dates that will be communicated later), with the hope of having the course present next spring.

On **Saturday 31st October** - from 2.00 pm to 3.30 pm - there will be the presentation of the **"Research project on the ministry of exorcism in the Catholic Church"** in Italy, Switzerland, Spain, the United Kingdom and Southern Ireland, carried out by the Sacerdos Institute in collaboration with GRIS and the University of Bologna; the presentation will be online and only those enrolled by 28th October to [istitutosacerdos@upra.org](mailto:istitutosacerdos@upra.org) will be able to attend.

Already accredited journalists, who will request it by 27th October at [sacerdoscomunicazione@upra.org](mailto:sacerdoscomunicazione@upra.org), will receive the link to participate.

The Presentation of the Research will include a simultaneous translation from Italian into English and Spanish.

Entrusting to God our prayers for the sick, we trust in a defeat of the virus and a timely return to normality.
